FRAME ASSEMBLY

STEP 1

Join 2 Frame Corners to both sides of 1 Short Frame Length as shown in **A** and **B**.
Slide into groove then snap in place.

STEP 2

Repeat Step 1 for the second Short Frame Length. You should have 2 x Short Frame Lengths with the 4 x Frame Corners as shown in **C**.

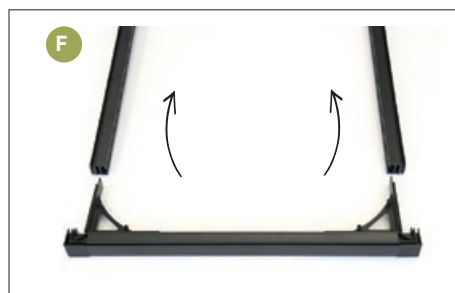

STEP 3

Slide the Long Frame Length into the Frame Corner that is attached to the Short Frame Length as shown in **D**.

STEP 4

Repeat Step 3 with the other Long Frame Length as shown in **E**.

STEP 5

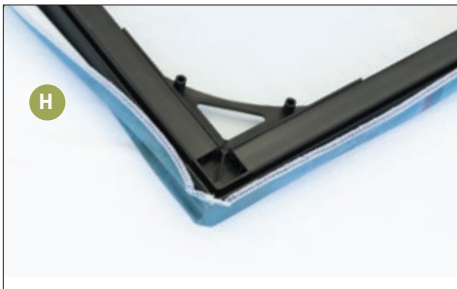

Attach the second Short Frame Length from Step 2 to the end of the frame as shown in **F**.

STEP 6

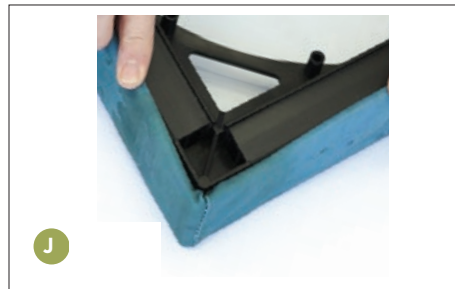

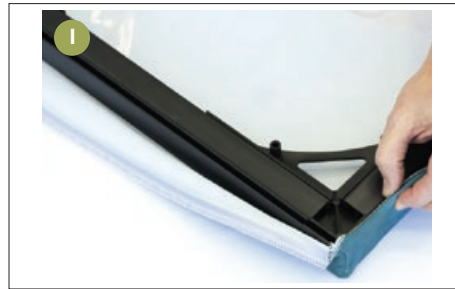

Your Frame should look like **G**.
Your Frame is now ready to attach the Wallart Fabric.

WALLART FABRIC ASSEMBLY

STEP 7

Place Wallart Fabric under the frame, aligning with the Frame Corners **H**.

STEP 8

Start at one corner and tuck the Rubber Beading into the channel as shown in **I**.

Your frame corner should look like **J**. Continue to tuck Beading into all four corners.

STEP 9

Once the Beading has been tucked into all four Frame Corners, start to tuck Beading into the sides of the frame as shown in **K**.

STEP 10

Your wallart frame and fabric should now look like **L**.

Your Fika Wallart system is now installed and is ready to be displayed. Enjoy!
